PianOLaterna

“One Piano. One voice. Two hands. All in one”

“This project is my attempt to unite two different parts of me that seem almost impossible nowadays to exist together: Traditional Greek and Eastern Mediterranean music and the Piano. PianOLaterna is the child of these two loves combination. It is also a path that brings me closer to answering the huge “Who am I?” question that worries all of us from our childhood until our death.”

Charis Tsalpara
